Success Stories – Bond Construction

For contractors who need to meet project obligations and provide performance, payment, or other required construction surety bonds, the right surety partner matters. The Hartford's experienced and knowledgeable Construction Surety team delivers consistent, dependable support to its partners.

Here are some of our recent successes.

Construction Success Stories

Region	Type of Work	Program	Reasons for Success
Canada	General Contractor / Construction Manager	$500M	Won through a competitive RFP by highlighting Hartford's focused approach to GC/CMs and large, sophisticated contractors, supported by strong agent advocacy and prior positive experience.
Southern California, Nevada and Arizona	Grader	$75M	Provided critical capacity where the incumbent could not, delivering a fast, coordinated response through a highly aligned broker and field-to-home office team partnership.
Houston	Marine Infrastructure	$1.5B with a 20% share	Built on a targeted relationship strategy with a key market player, resulting in a successful proposal and expanded pipeline of additional opportunities.
Great Lakes	Commercial Electrical Contractor	$500M	Leveraged a long-standing relationship and trusted agent partnership to step in as the incumbent reached capacity, supporting rapid growth driven by data center expansion.
Mid-Atlantic	General Contractor	$400M	Replaced an incumbent constrained by capacity limits, providing the stability and support needed for a growing GC program. Established a new partnership with a national broker, reinforcing our ability to build relationships and deliver where clients need us most.
