

GROWING YOUR BUSINESS STARTS WITH LOOKING AT IT IN A WHOLE NEW WAY.

Your agency's success matters. And our expansive suite of Real Time software solutions allows you to sell and service business from your own management system. It might be one of the reasons you voted us number one in agency automation. But now, you can also get our Agency Management System (AMS) Dashboard.

The AMS Dashboard is a first-of-its-kind tool that lets you self-manage your agency automation profiles and preferences with us – and helps you easily see where you have more opportunities to grow.

AVAILABLE FUNCTIONS

- ✔ Accounting Download – Commission Statements
- ✔ Policy Download – Business Owner's (BOP), Workers' Comp, Business Auto
- ✔ Claims Download
- ✔ ACORD eDocs – Business Owner's (BOP), Workers' Comp, Business Auto, Bond
- ✔ ACORD Messages – Billing, Audit

Take a closer look at these functions [here](#).

KEY BENEFITS

- ✔ Tasks previously relied on a call to our support desk; now handled via the Dashboard
- ✔ True transparency into which producer codes are turned on for what capabilities (if any)
- ✔ Make changes in seconds with our new search and sorting options; changes take effect immediately
- ✔ Targeted automation messaging and alerts
- ✔ Provides a quick diagnostic tool to see where you have room to grow
