

A HEALTHY WORKFORCE MEANS A HEALTHY BUSINESS.

THE NUMBERS TELL THE STORY

\$45-54B

annual employer cost
of musculoskeletal
work-related injuries¹

\$1B

approximate weekly employer
direct costs due to workers'
compensation claims²

2.7M

workers' compensation
claims are filed
every year³

32%

of nonfatal workplace
injuries result in days
away from work⁴

Every company has a unique workforce with distinct business needs, however all employers have the same goal - to keep employees safe and healthy on the job.

In addition to being an industry leading carrier for workers' compensation and disability, we offer employers comprehensive injury prevention solutions regardless of industry type, business size, location or work model. Customers receive tailored recommendations to fit the needs and exposures within their organization. We offer services both in-person and virtually, delivering a comprehensive, collaborative and consultative approach.
