

# Write small business in a larger way.

We've increased property values, payroll and sales (revenue) thresholds so you can deliver the same industry-leading products to larger accounts and still remain within The Hartford's small business eligibility guidelines. And our ICON rating platform makes delivering these solutions to all accounts within our definition fast and easy – even those on the larger side!

While we prefer to be the total account solution for accounts that meet our definition and appetite, we'll also write monoline business for any of our lines of business.

Think bigger for your small business customers. **Quote us today.**
